#### Author's Struggles

I struggled with the thought that I could never bring myself to put the important embarrassing true stories of my life in a book, which put the project on hold. One morning I awoke and recalled a dream I just had and in that dream I was holding a published book that contained many of my most embarrassing deeds ever. Every since then I thought, "It's not so bad", and this revelation unlocked my writer's block.

#### Influence Factor

Reading *CASE GAME* reminds the reader that life is supposed to have vicissitudes. It illustrates that a setback is really a step forward for those who are determined. This is important because many have allowed the bad things that have happened in their life to cripple them. *CASE GAME* encourages enjoying life and staying alert.

The best way I know to overcome these challenges is to keep pushing. This is a very important topic that affects our community and quitting is not an option.

THIS BOOK EXPLAINS HOW OUR BRAIN HAS TWO HEMISPHERES- A CREATIVE SIDE AND A LOGICAL SIDE, AND HOW EACH OF THESE HEMISPHERES IMPACTS OUR LIVES. WE MUST TAKE CONTROL OF THEM AND HARMONIZE THEM SO THAT WE CAN LIVE CHAOS FREE.

#### Author's Struggles

For me applying knowledge in a real and practical way took time. Turning the knowledge into practical modern day wisdom took effort, and was met with tremendous obstacles and resistance. I had to live and walk the walk, before I could confidently publish the book.

#### Influence Factor

This book empowers readers to have the courage, conviction, and certainty to believe in themselves and to live their lives without judgment. Judgment causes people to not accept themselves, and as a result not fully love themselves. At the heart of my book lies the message of self acceptance and love in order to extend the same to others.

*Harsh Reality, Impossible Dream*

*HARSH REALITY, IMPOSSIBLE DREAM*, IS AN AUTOBIOGRAPHY THAT SHOWS THAT WITH GOD NOTHING IS IMPOSSIBLE. LIFE'S JOURNEY IS COMPRISED OF MANY ISSUES: CHILDHOOD, MOTHERHOOD, NEIGHBORHOOD, BUT WHATEVER YOUR SITUATION IS, IT IS NOT YOUR DESTINATION. IT IS ABOUT NOT HAVING A "WOE-AS-ME" ATTITUDE. YOU MUST BE YOUR BIGGEST HELP FIRST.

#### Author's Struggles

I had to overcome learning to discipline myself. I had to learn to sit down by making the time and staying focused to write. I sacrificed much and overcame even more, because I knew that God had given me a testimony that people needed to hear and my life's journey would be a blessing to someone.

#### Influence Factor

My book is inspirational, encouraging, and motivational to others. It encourages people to Get Up and Go! God is the same yesterday as He is today; it inspires them to know that if God did it for me he will do it for them!
